

2026-2027
OPERATING BUDGET

Orange County Water Control and
Improvement District No.1

Adopted 5/18/2026

Orange County Water Control & Improvement District No. 1

MISSION STATEMENT

IT IS THE MISSION OF
ORANGE COUNTY WATER CONTROL &
IMPROVEMENT DISTRICT NO. 1

TO:

- PROVIDE A PLentiful SUPPLY OF CLEAN WATER
- PROVIDE EFFICIENT DISPOSAL OF WASTE
- EXPAND SERVICES AS RESOURCES WILL ALLOW
- EXCEED ENVIRONMENTAL STANDARDS
- STRENGTHEN COMMITMENT FROM EMPLOYEES BY ATTENDING TO THEIR NEEDS AS REGARDS TO COMPENSATION; TRAINING; AND OPERATING EQUIPMENT
- WE ALSO PLEDGE COOPERATION WITH PUBLIC AND PRIVATE ENTITIES WHOSE GOALS COMPLEMENT OUR OWN

BUDGET LETTER

Orange County Water Control & Improvement District No. 1
460 E Bolivar Street
409-769-2669

May 18, 2026

Board of Directors
Orange County Water Control &
Improvement District No. 1
460 E. Bolivar
Vidor, Texas 77662

Gentlemen,

Presented for your consideration is the **2025/2026 Budget Performance Analysis** and the **Proposed Fiscal Year 2026/2027 Operating Budget** for Orange County Water Control & Improvement District No. 1.

Fiscal Year 2025/2026 Annual Budget Performance Analysis

F/Y 2025/2026 ending June 30, 2026, is projected to generate revenues of \$6,243,309. This amount exceeds the 2025/2026 budgeted amount of \$5,956,857 by \$286,452. This amount combined with an anticipated savings of \$58,737 in expenditures results in an improved financial position to the District of \$345,189. 333,489

Although overall expenditures were less than budgeted, several line-item accounts required more funding than initially allocated. The following list provides an analysis and corrective measure taken to address the more significant overages:

- **Salaries and Wages (Acct. # 5101)** – This cost overrun is the result of overlapping of General Manager salaries and the retirement of two long-term district employees.
- **Employee Health/Life Insurance (Acct. #5107)** - This overrun is the result of increased contributions to the Districts employee health insurance. Additional funding was added to accommodate the increased contribution.
- **Legal Fees (Acct. #5116)** – This account exceeded the budget due to extensive consultation on property purchase for Well #8 and unanticipated

refilling for CCN acquisition of Water Necessities Inc. and Lexington water systems. An additional \$7,500 is added for 2026/2027

- **Water Distribution System Upgrade/Maintenance (Acct. #5131-E)** – Cost overrun due to extensive repairs and installations in water distribution system and reallocation of some expenditures formerly charged to meter purchases account. An additional \$5,000 has been added for 2026/2027
- **Well #7 (Acct. #5131-F)** – Replaced rotating assembly in booster pump at a cost of over \$16,000.
- **LPSS New Installation (Acct. #5133-A)** – overrun due to unexpected demand of new system installations. \$20,000 in additional funding is allocated to this account for 2026/2027.
- **LPSS Maintenance/Repairs (Acct. # 5133-B)** – Overrun attributable to aging pump systems requiring maintenance. An additional \$10,000 is added for 2026/2027.

Fiscal Year 2026/2027 Annual Operating Budget

Using historical data, trends, and known variables that can impact operating costs, an annual operating budget of \$6,037,009 has been developed for F/Y 2026/2027. This budget is balanced with the anticipated expenditures and operational needs for the upcoming year and the Districts projected revenues. Projected Revenues/Expenditures equate to \$393 per/capita year based on a population of 15,369.

Below is a synopsis of the 2026/2027 Budget:

Rates

Customers will incur no increase in the minimum rates, and see an increase of \$0.03/100 gallons to water and sewer rates for all customers consuming more than 2,000 gallons/month.

Personnel

- In keeping with the District's mission statement to recognize the contributions and dedication that District employees give to their job and to the customers of the District, presented in this budget is a 3.0% COLA for all full-time employees. The

3.0% COLA increase is based on surveying the other governmental entities throughout our immediate area regarding an anticipated COLA increase for their employees during the upcoming budget year as well as observing the CPI-W (Consumer Price Index for Urban Wage Earners and Clerical Workers) indication that the cost of living has increased by 3.3% during the past year.

Maintenance and Operations

- **Accounts 5131-B,C, & F- Well #'s 4, 5, & 7** – Increased to facilitate rebuilding a booster pump at each location.
- **Account 5131-E, Water Dist. System – Upgrades/Maint** – Has been increased by \$5,000 with anticipated expenditures to be similar to 2025/2026 actuals.
- **Account 6016 – Transfer Out – Water/Sewer Major Maintenance** – Added \$210,000 to fund DeWitt sewer manhole repairs.

Revenue Note

- **Account #6000 – Bond Principal** - \$1,125,000 is budgeted for Revenue Bond Principal Payments due annually in August..
- **Account #6001 – Bond Interest** \$178,825 is budgeted for Revenue Bond Interest payments due bi-annually in August and February.

Transfers

- **Accounts 6015, & 6017** – Each have transfers scheduled monthly in the amount of \$2,485 with an anticipate annual total to each account of \$29,824.
- **Account 6016** – Monthly transfer of \$18,443, totaling \$221,317.

CONCLUSION

Using historical data to predict the Amended 2026/2027 Operating Budget, this proposed budget accurately represents the best forecast of revenues and expenses. More importantly, the 2026/2027 Proposed Budget demonstrates the commitment of the District's staff to continue following the guidance set forth by the Board of Directors to provide water and sewer services our community has grown to expect and also demonstrates the desire to strengthen commitment from its employees by attending their needs regarding compensation, training, and providing safe operating equipment.
